

# About

Chemical Equipment Labs was started in 1979 in Richmond, Virginia and had expanded up the east coast of the United States to call Pennsylvania its home base with expanding satellite locations, depots and warehouses.

**CHEMICAL  
EQUIPMENT  
LABS, INC.**

Global Import Export • Ice Melts • Water Treatment

In late 1991, Chemical Equipment Labs then became a master distributor of Highway Rock Salt, Magnesium Chloride, Calcium Chloride, Potassium

Chloride, Sodium Chloride and Urea.

Chemical Equipment Labs is unique; due to the company's history and how the company developed.

Chemical Equipment Labs, Inc. can handle all of your industrial water treatment needs, as well as your specialty chemicals, chemical equipment needs, ice melts and snow removal supplies.
